Translation Statement

If you have any difficulties reading this information or need further help understanding our processes please contact us. We can make this document available in a variety of formats. All you need to do is let us know what you need and we will try to assist.

Compliance

This policy has been drafted to ensure that it complies with current legislation and industry good practice.

Equality & Diversity

Fyne Homes is committed to providing services which embrace diversity and which promote equality of opportunity. As an employer we are also committed to equality and diversity within our workforce. Our goal is to ensure that these commitments, reinforced by our Values, are embedded in our day-to-day working practices.

Openness & Confidentiality

Fyne Homes believes that its members, tenants and other interested parties should have access to information on how it conducts itself. This means that unless information requested is considered commercially sensitive or personally confidential it will be made available on request.

General Data Protection Regulations

Fyne Homes recognises that the General Data Protection Regulations are an important piece of legislation to protect the rights of individuals in respect to any personal information that we may keep about them, whether on computer or in manual systems. We will treat your personal data in line with our obligations under the current data protection regulations and our own Data Protection Policy. Information regarding how your data will be used and the basis for processing your data is provided in our Transparency Statements

At a glance – terms used in this document

Term Used	Explanation
FOISA	<p>Freedom of Information (Scotland) Act 2002</p> <p><i>Places a duty on those organisations covered to proactively publish certain types of information; and to respond to requests for information; and to provide advice and assistance to those making requests for information.</i></p>
EIRs	<p>Environmental Information Regulations (Scotland) 2004</p> <p><i>Those organisations covered by EIRs have a duty to respond to requests for environmental information</i></p>
SIC	<p>The Scottish Information Commissioner</p> <p><i>Who is responsible for ensuring that those bodies covered by FOISA and EIRs comply with the terms of the legislation.</i></p>
MPS	<p>Model Publication Scheme</p> <p><i>Produced by the SIC – this details all of the information that those subject to FOISA should publish (if they hold it)</i></p>
Guide to Information	<p><i>A guide that all organisations subject to FOISA and adopting the MPS must produce to help people access the information it makes available</i></p>
Classes of Information	<p><i>Nine broad categories describing the types of information authorities should publish (if they hold it).</i></p>

1. Introduction

- 1.1 The Freedom of Information (Scotland) Act 2002 (FOISA) requires that all housing associations/co-operatives in Scotland must produce and maintain a publication scheme. This must detail all of the key information that we publish and how you can access it. This Guide to Information is our publication scheme, and contains links to where you can find all of the information listed online.
- 1.2 Fyne Homes has adopted the Scottish Information Commissioner's (SIC) [Model Publication Scheme \(MPS\)](#) and this Guide has been approved by the SIC.

2. Legal framework

- The Freedom of Information (Scotland) Act 2002 (FOISA)

3. The Information that we make available to you

- 3.1 Under the MPS, the information we provide must be listed under certain “classes” of information. These are the categories of information that are detailed on the table at Appendix 1.
- 3.2 As FOI applies to other bodies and sectors across Scotland – such as Scottish Government and Councils for example –this means that not all of the categories in the MPS apply to housing associations.
- 3.3 The details of all the information we hold under each of the classes that apply to our organisation, and hyperlinks to access this information when available online, are outlined on the table at Appendix 1

4. Formats other than online

- 4.1 All of the information listed at *Appendix 1* is available on our website (unless stated), and completely free to access online. However, we understand that not everyone will have online access and where this is the case you can contact us to view this in our office (where this would be convenient).
- 4.2 If you would like a printed copy of any of the information listed, unfortunately we may have to charge a small fee to provide this. This fee will never exceed the cost of photocopying and postage – and we will let you know any total cost before we forward this to you.
- 4.3 Our charges for providing any information detailed in this guide are summarised below:

Format	Charge
Online	Free
View at our office	Free
Print in black and white	10p per A4 sheet ;20p per A3 sheet
Print in colour	20p per A4 sheet; 40 per A3 sheet
CD Rom	£0.50
Posted document/CD Rom	Cost of postage incurred

4.4 If you would like to request information that we publish in a format other than online, or arrange a visit to our office to view information, please contact: Margaret Thomson, Corporate Manager

5. Information that we cannot publish

5.1 Whilst we will try to make all of the information we have detailed available, in rare cases there may be some information that we cannot make available. For example, sometimes if we were to publish certain Committee minutes, it could reveal personal details about an individual. This would be a breach of Data Protection legislation if we were to do so. When this is the case, we will remove any personal details before publication and highlight where and why we have done so.

6. For how long will information be published?

6.1 We aim, where possible, to publish information for at least the current and previous two financial years. When we review any document – e.g. our policies – to avoid confusion we will only publish the current version once it has been updated.

7. Copyright and re-use

7.1 Where we hold the copyright on our published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied accurately
- It is not used in a misleading context
- The source of the material is identified

8. Contact us

8.1 If you have any queries about anything contained within this Guide to Information, or if there is some information that you cannot find that you would like to access, please contact:

Fyne Homes Ltd, 81-89 Victoria Street, Rothesay, Bute PA20 OAP
Email: postmaster@fynehomes.co.uk
Tel: 0345 607 7117

9. Reviewing process

9.1 This policy will be reviewed in line with the respective current Fyne Homes' policies, and/or where a change in legislation arises

9.2 If there is a procedural delay in the policy revision then the relative legislation in force at the time will prevail.
